**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT AND FOR CAUSE AS
FOLLOWS:**

Your Petitioner reports that a urine specimen obtained from Mr. Arrington on January 29, 2007, tested positive for marijuana. Another urine specimen obtained on February 12, 2007, tested positive for marijuana and cocaine. The tests were confirmed by Scientific Testing Laboratories, Incorporated, on February 9 and 24, 2007. Mr. Arrington was confronted concerning the two positive drug tests, and he admitted to using marijuana and cocaine. It should be noted that the levels of marijuana in the two samples indicate continued use, which Mr. Arrington confirmed. As to the use of cocaine, Mr. Arrington admitted to using crack cocaine.

Mr. Arrington has indicated that he is in need of intervention and agreed that further supervision by the Probation Office may benefit him. As a result, on March 1, 2007, Mr. Arrington signed a Probation Form 49, Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Time of Supervision, in which he agreed to the following modification of supervision: The releasee shall agree that the term of supervised release be extended for a period of 12 months, thus providing a new expiration date of July 31, 2008.
